

When I Saw Snow
By ArtSparks

Snowing a bit all day
Quite Cloudy
Why won't my truck start?
How am I going to play football in this?
It's still autumn,
Leaves are falling off the trees.
Snow comes early
Weather is chilly
Too early
Winter already?!
Depressing thought
Scraping car windows,
Ice melting,

Blanket

Black cat, white snow
Cat paws in the snow
Paul Brandt autograph
Christmas singing
Fundraising for Christmas Child
