

The Red Deer Library Board is committed to offering convenient hours of service to its users and shall, through patron and resident surveys, assess hours of service in light of patron and resident satisfaction. Similarly, The Board shall direct staff to conduct periodic observation studies to assist the Library Board in determining peak hours of operation. As of January 2, 1986 the Library Hours of Operation shall be set by the Library Board from time to time.

The Director of Library Services or his / her designate may modify the hours of operation or close the library if mechanical emergency or environmental conditions prevent the safe operation of the building. The library may also be closed temporarily on the request of the police, fire department or other public services due to an emergency.
