7.27 JOB EXCHANGES

- .01 Red Deer Library Board accepts the concept of job exchanges and student placements, work experience and other forms of educational programs, designed to further the training of Library staff and to promote informational exchange.

- .02 Staff of Red Deer Public Library may propose exchanges with other similarly qualified individuals by submitting same to the Director's attention. Any cost involved in such an exchange will be borne by the participants and all such exchanges must be approved in advance by the Director.
