

PAGE TURNERS

F ABB

PANIC by Jeff Abbott

After finding his mother murdered, documentary filmmaker Evan Casher discovers that every aspect of his life has been fabricated and that he is being targeted by a ruthless organization of killers.

F BRO

THE DA VINCI CODE by Dan Brown

A curator is found murdered in a museum and he has left behind several codes which, when cracked by a French Police cryptologist and a Harvard symbol expert, lead the two to discover Jesus may have had an heir. As the pair strives to find the Holy Grail as proof, they are confronted by an ancient society whose members don't want the Grail found.

M COB

NO SECOND CHANCE by Harlan Coben

Plastic surgeon Marc Seidman is traumatized after waking up injured in the hospital to find his wife has been shot dead and his infant daughter has been kidnapped. During the next year, Marc agonizes about his daughter's safety, doing all he can to get her back.

M COR

BLOW FLY by Patricia Cornwell

While conducting a lecture in Louisiana, forensic examiner Dr. Kay Scarpetta meets female police officer Nic Robillard, who has been assigned to find out what happened to ten missing women in her region. It turns out the predator knows Kay and is trying to get her attention.

F CRI

PREY by Michael Crichton

Some vicious nanoparticles have been released into the air after a problem at a secretive technology lab. Jack Foreman and his wife Julia, both laboratory technicians, are caught in the middle of a deadly crisis as the particle swarm evolves and begins preying on desert animals. Jack quickly realizes that it's only a matter of time before the toxic particles begin killing humans.

F DEW

SACRAMENT OF LIES by Elizabeth Dewberry

When Grayson Guillory stumbles upon evidence that her father, the governor of Louisiana, and her own new husband may have collaborated in the murder of her mother, her suspicions threaten to destroy her relationship with her father and to undermine her marriage.

F ILE

SLEEP NO MORE by Greg Iles

John Walters enjoys a happy marriage but still remembers an obsessive love affair years earlier with a woman who subsequently died. When he encounters a woman with a secret only his ex-girlfriend knows, and then she, too, is killed, Waters' life is enveloped in guilt and suspicion.

PAGE TURNERS

F JAC

THE HUNTED by Alan Jacobson

Amnesia victim Michael Chambers falls into the hands of FBI agents who convince him he is in a witness protection program for testifying against a prominent mafia member. The story centers around Chambers' wife and a private detective trying to find him and bring him home.

F KID

THE SECRET LIFE OF BEES by Sue Monk Kidd

Fourteen-year-old Lily Owens grew up not only without a mother, but also with guilt surrounding her mother's untimely death. Raised by her controlling, abusive father, Lily waits for the courage to run off and make a life of her own. The opportunity arises when Lily and her black caregiver, Rosaleen run and end up in a small town in South Carolina where, through three beekeeping black sisters, Lily finds love she never knew existed.

F KOO

INTENSITY by Dean R. Koontz

On her first night in the Napa Valley home of her friend's family, Chyna Shepherd is unable to sleep. Instinct proves reliable. A murderous sociopath, Edgler Forman Vess, has entered the house, intent on killing everyone inside.

F PAT

THE BEACH HOUSE by James Patterson

Law student Jack Mullen is devastated by the news of his younger brother Peter's ocean drowning. He isn't convinced it was an accident and soon discovers Peter was more than a mere parking valet; he was fulfilling the sexual desires of local wealthy men and women. Now Jack is out to prove Peter was murdered.

F WAT

AFFINITY by Sarah Waters

Visiting a grim Victorian, London prison as part of rehabilitative charity work, upper-class suicide survivor, Margaret Prior, is drawn into the world of enigmatic spiritualist and inmate Selina Dawes and is persuaded to help her escape.

F ZEM

THE PINOCCHIO SYNDROME by David Zeman

After an ocean liner carrying a group of gifted American students is destroyed by a hydrogen bomb, a horrific disease, called "the Pinocchio Syndrome," erupts around the world, and an investigative journalist searches for the truth.
