Thanks to the Provincial Government's Community Facilities Enhancement Project and financial support from the community, Red Deer Public Library is poised to begin an exciting new renovation project, starting with the Piper Creek Optimist Club's Children's Department. We'll unveil our plans for the entire library, for the first time, to the public.

At the Open House, the Friends of Red Deer Public Library will present the library with a cheque for \$9,000 designated for new audiovisual shelving. Important contributions by the Friends seeded the collection, and now the Friends of the Library Children's Audiovisual Collection is a very popular resource for our customers. The collection has expanded to require a new space and new shelving, and will mark the beginning of an exciting renovation project that will ultimately encompass the whole building!

Join us to see plans and concept boards, and a three-dimensional fly-through of the new look for Red Deer Public Library. The plans will remain on display throughout October. Plans are created by Group 2 Architects of Red Deer.

Refreshments will be served.

Oct. 3 also marks the kick-off to the popular Friends of the Library Fall Book Sale:

Friday, Oct. 3 7:00 – 9:00 p.m.
(Friends members only – memberships available at the door)

Saturday, Oct. 4 10:00 a.m. – 5:00 p.m.
Everyone welcome!
