The partners of Sensory City 2003 invite all art lovers to explore the world of art to be found on your doorstep this weekend!

Activities and gallery exhibitions will fill the city, from the Red Deer Symphony's Gala at the Black Knight Inn Friday evening, to a Chamber Music concert at Red Deer Public Library on the Sunday afternoon. In between, feast your eyes on exhibitions at the Cultural Services Gallery, the Allied Arts Council Gallery, and throughout the Red Deer College. Join us for a "Meet the Artist" Coffee Party at the Museum, or for a Walking Tour of Main Street Red Deer.

Red Deer College Library hosts a traveling exhibition from the Alberta Foundation for the Arts, and various galleries through the college and the city will display work by RDC students and instructors, as well as the City of Red Deer Culture Services Instructors' Show. Come see yet another reason that Red Deer truly is "A Cultural Capital of Canada!"
