My Five Favorites

Lit Tip

Sing, Read, Repeat

Read favorite stories and sing favorite songs over and over again. Repeated fun with books will strengthen language development and positive feelings about reading.

The Beehive

Here is the beehive. *(make a fist with one hand)*

Where are the bees?

Hidden away where nobody sees. *(cover fist with other hand)*

Soon they come creeping out of their hive.

1, 2, 3, 4, 5! *(show fingers one at a time)*

Bzzzzzzz! *(tickle child)*

Furniture Fun

Large Motor Skills, Listening Skills, Language Skills

When your child is an able crawler, lay a couch cushion in his path and encourage him to crawl over it by placing a favorite toy on the other side. When he gets the hang of this, add more pillows.

For older children

Use pillows, cushions, tables, chairs, masking tape, etc to create a short obstacle course for your child. For example, encourage him to step onto a pillow, then crawl under a table, climb over a chair and walk to the end of a masking tape line.
