## Sticky Business

*Creativity, Motor Skills, Sensory Awareness*

### Sticky Collage

Tape a sheet of contact paper, sticky side up, onto your child's play table. Lay out a variety of decorating items, such as pompoms, scraps of paper and felt, stickers, small pictures, and feathers. Encourage your child to place the items onto the contact paper to create a sticky collage.

### Sticky Steps

Tape contact paper to the floor, sticky side up. Let your child walk on it and touch it with her hand, finger, elbow, or knee. Talk about how sticky the paper feels.
